CAN

DRIVE

How it works

Help a *local CUYP*, it's a *NO-BRAINER!*

Here's how:

Donate your empty aluminum cans to be recycled for cash. After you collect the cans, bring them to chapter meetings, Meghan and Melissa will take it from there.

All money goes to Patrick Cooney of Fort Worth City CU to help with medical bills associated with his brain cancer.

If you'd like to donate cash, please contact Meghan Jamison at 817-525-0519 or Meghan.x158@tccu-tx.com.
